To Whom It May Concern:

Pursuant to section 2.10.6 of the Alternatives Abortion Grant, Faith Maternity Care provides this letter to notify the State of Missouri of a change in our personnel. Credential Case Manager Dawn (Michelle) Craighead resigned her position as a CCM at Faith Maternity Care June 1, 2017.

After some discussion as how to proceed, Faith Maternity Care would like to request permission from the State of Missouri to not fill the vacant position. We currently have two other CCM qualified individuals (Anna Dudley and Theresa Bounds) working for our organization who can continue to provide 24/7 availability for our clients. We would also like to add Minnie Via as a Non-Credentialed Case Manager to help assist with duties. Minnie served as a then-titled "non-professional case manager" under the previous grant cycle, and has been with our organization since 2015. We feel that filling the vacancy in this manner allows us to continue serve our clients efficiently, while saving the A2A program the expense incurred from an additional Credentialed Case Manager.

If you have any questions or require any further information, please contact me at 573-642-7414 or [treasurer@faithmaternity.com](mailto:treasurer@faithmaternity.com)

Respectfully,
